NHCC SCHEDULE FOR THE 2007 – 2008 SEASON

Competitions are held at 7:30pm on the fourth Monday of the Month.

Please see the handbook, available on the NHCC website for the complete rules.

In contrast to the general competition of prints, electronic photographs, or slides, which have no time limit, special category electronic images must not be older than 5 years. This competition is conducted after the regular electronic photograph competition has been concluded. In these competitions all members compete together.

- Entries: Three maximum per contest. Must not be older than 5 years old.
- Electronic images will be e-mailed to NHCCwin@optonline.net before midnight on the Friday night preceding each contest. They may also be given or mailed to the Vice President for Inside Competitions on floppy disk or CD anytime prior to the deadline noted above.
- Judging: An in-out scoring system is used. The winning image shows the best interpretation of the category title that adheres to definition and is of good quality. Slides receiving two "ins" will be held until there are three that receive three "ins". Then all slides receiving two "ins" are dropped.
- Points will be awarded as follows: 1st place, 3 points; 2nd place, 2 points; and Honorable Mention, 1 point. These points will count toward an award for highest cumulative point total for the year.
- Assigned Subjects: Here are the subjects that were voted on for the assigned subject for the upcoming year. 28 people voted on Monday evening, May 14, 2007. There were 40 topics on the ballot and all received at least one vote. The 8 topics for the 07-20 Club year are:
